Mattapoissett Skate Park Grand Opening

On Saturday, August 28, beginning at 12:00 noon, a Grand Opening Celebration for the long-awaited, highly-anticipated Mattapoissett Skate Park will take place at the completed facility on Hubbards Way behind the Mattapoissett Police Station (off Route 6). The event, which had previously been postponed to put the finishing touches on the facility, will include open skating, refreshments, live music, and raffles.

Marion VFW to Host Block Party

On Saturday, August 28, 2004, the Marion Veterans of Foreign Wars (VFW) Benjamin D. Cushing Post 2425 will be throwing a Block Party on Spring Street in Marion from 5:00 pm to 11:00 pm, with all proceeds to benefit VFW Post 2425. In response to popular demand, the VFW is incorporating all the elements which have made past Marion town parties such a successful and good time for all ages:

- A Chicken Barbecue served from 5:00 to 7:00 pm. Tickets for the barbecue must be purchased in advance for a donation of \$8 per person.
- Free block dance for all ages from 7:00 to 11:00

School Security Center School Security Public Meeting

ORR School Superintendent Dr. William R. Cooper, Ed.D., announced there will be a public meeting for parents and other Mattapoisett residents to discuss plans for security at the newly renovated Center School in Mattapoisett on Thursday, September 16 at 7:00 pm at the school. The meeting will address the efforts being made to make sure that the building is safe from intruders at all times, but particularly during school hours.

In addition to housing Pre-Kindergarten to Grade 3 students and staff this fall, the large new facility will also be home to the Mattapoisett Senior Center on week-days. The town nurse will use the senior center (two unassigned classrooms in the southeast corner of the first

Question: What does it mean when I see CSIA certified?

Answer: CSIA stands for Chimney Safety Institute of America. This is a nationally recognized organization that is responsible for educating and testing chimney sweeps in the latest practices and the most current NFPA 211 codes. Sweeps who wish to acquire this recognition must take and pass a test every 3 years to maintain their certification or fulfill strict continuing education requirements. A CSIA certified chimney sweep ensures that you are hiring a knowledgeable professional for your chimney service needs.

2004 at 7:03 pm by Chairman Gary Laboa. Also present were Selectman Richard Nunes, Selectman Bradford Morse, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board signed and approved the minutes of the August 2 and August 5 Open Session meetings; the Executive Session minutes of August 5; Personnel Action Forms (PAFs) for three Council on Aging (COA) positions; and payment to Town Counsels Perry, Hicks, Crotty and Deshaies, LLP, in the amount of \$11,757.06 for legal services rendered.

Under the Town Administrator's report, Selectman Nunes asked Mr. Huntoon about the status of the board's recent request to use surplus funds in the ORR School District budget to cover the cost of Rochester students' transportation to Bristol County Agricultural School. Mr. Huntoon said they have sent a letter to the ORR District and have not yet received a reply.

At 7:05 pm the board met with Chairman Susan Adams of the Rochester Historic District Commission regarding a violation of the Historic District By-Laws at 27 Marion Road which she claimed has been ongoing since November 5, 2003. "We've gone through all the proper channels ... with the Building Inspector," Ms. Adams said. "We're looking for some advice as to what we can do."

"I see a letter from Mr. McGrath saying he will move the trailer in the next two weeks, obviously that hasn't happened," Chairman Laboa said. "I would suggest talking to (Zoning Enforcement Officer) Bob

"It has come to (our) attention that certain employees are working over their allotted hours, but are not able to be paid for the additional hours due to budget constraints," wrote Personnel Board member Kelly Sullivan-Morgado. "The Personnel Board would like to review this with Tabor Associates and the Board of Selectmen's input."

- Letter from former Selectman Patricia Ryan expressing interest in filling a vacancy on the Council on Aging (COA) Board. "We'd be glad to have her," said COA Director Jill Bodeau. With that, the board unanimously voted to appoint Ms. Ryan to the COA Board.

- Notice from the ORR School District that on Thursday, September 23 at 4:30 pm, Roger Hatch, School Finance Administrator with the Massachusetts Department of Education, will be coming to ORR High School to discuss the formula for aid and assessment for regional schools. Optimize Your Retirement

We know that like many people, you have achieved many of your goals. That said you might harbor lingering doubts about your future. You continue to wonder whether your money will comfortably last through your retirement. You feel overwhelmed by all the conflicting information you get from the financial industry and the media. You are skeptical of the brokerage and banking industries and wonder whether you have been truly informed of all the strategies and opportunities available to you. You worry about health care costs and wonder what will happen to your family if you fall ill. That is why we've created the Prudent Optimization Process.

The Prudent Optimization Process enhances your retirement through unique and sensible strategies. As a principal architect we have helped create a system utilized by other top financial advisors across the country that gives you the knowledge you need and gives you access to the very best the financial industry has to offer. We eliminate all of the confusion and review the available options so that you can be certain that you are informed and empowered to make the very best financial decisions possible.

Our years of experience working exclusively with retired clients at Integrated Solutions has prompted us to design a program that helps you understand the strengths and weaknesses of your current situation and create a powerful vision for your future. We will help you identify any roadblocks that might stand in your way and work with you to develop strategies to overcome them and achieve the vision you have created.

Call us for a free consultation and receive a detailed assessment and analysis of your current situation. You will not be asked to buy anything and nothing will be sold.

day "right of first refusal" option on the Knight and Look Campground property. The owners, Donald and Janice Look, have a purchase-and-sale agreement in-hand for \$1.325 million for the nearly 30-acre parcel from Hartley-Zell Housing Associates, LLC, of which Town Moderator Greenwood "Woody" Hartley is a key partner. But the town has the option of buying the property before it is converted from recreational to residential use.

"We've protected a lot of land and spent a lot of money protecting land, but the thing that's sorely missing in Rochester is additional revenue to balance out the tax base," Chairman Laboa said. "At this point, I don't know if it's feasible to come up with a project like that to benefit the town, but I think it would do a disservice to the residents not to look into it."

"I think the property is very marketable," said Selectman Nunes. "From a business standpoint, I think the town would be foolish *not* to acquire it. As for what business would go there, I'm not really sure. But there's lots of things ... being proposed."

Among the proposed uses for the site, according to Selectman Nunes: a senior housing or affordable housing development; a campground owned and operated by the Town of Rochester; or a possible site for a future elementary school.

"On the surface, in light of all the costs and budget increases ... we have a private developer willing to risk his money that doesn't look like it's going to put an unfair burden on the tax rate, I'm inclined to say we should decline (our option to purchase)," said resident and Finance Committee (FinCom) member Tom Wynne.

"In the Master Plan, I didn't see anywhere suggesting we should start running 'Rochester, Inc.'," added resident and Tax Collector Tom Gayoski. "Right now we're strapped with revaluations ... you're pricing people right out of town."

"The town needs to generate revenue," Selectman Nunes argued. "We've said it before: we cannot rely exclusively on SEMASS. We need to be proactive. We're not trying to take business opportunities away from private individuals ... even though, in a sense, that's what we're doing here. But ... the town could make money on this property. I don't think we can lose on this."

"There will be other parcels in town for us to develop," Mr. Wynne said. "If (Mr. Hartley) were proposing (strictly) residential housing in there, I'd be against it."

"The voters will decide whether this is a bad idea or a good idea," Selectman Nunes said.

Tax Collector Tom Gayoski argued the town has

already invested money in similar tracts of land — off Mary's Pond and on Pine Street — and they have yet to develop these sites further. "We already have property in town if you're interested in developing business," he said. "Why buy more to sit on?"

"If at any point it became apparent that we were spinning our wheels, I would make the suggestion that we sign off," Chairman Laboa said. "But I think we should explore our options. The proposed project that was put out on the street by the Hartleys and the Zells is a great project. I think over 55 (housing) is low-impact, but how do you guarantee that's the project that (will) be (developed)?"

"The more and more you guys spend money like it's going out of style, the more you're going to have property for sale in this town," said Fred Underhill. "We've got (long-range) water issues that have to be addressed and I don't think this is a priority item. You can't guarantee you're going to make any money on this (and) I think you've got to take a serious look at what you're trying to do here."

"In my mind, the ideal situation is to have something on that parcel which would generate revenue on an annual basis for the town," Chairman Laboa said.

With that, Selectman Nunes moved to call a Special Town Meeting on Monday, October 4, 2004 to consider the acquisition of the Knight and Look Camp-ground site for an estimated \$1.1 million and also moved to schedule a Special Override Election for Wednesday, October 6, 2004 for the same purpose.

"My concern with the timetable is: will the voters have the benefit of any engineering studies so we know the benefit of what we're buying?" Mr. Wynne asked.

"By that point we'll whittle it down to what (kind) of business we're looking at," Selectman Nunes said. "(But) there won't be an engineering plans or

anything like that."

"I don't know at this time if there's a feasible project out there that makes sense, but at this point I can't say there's not (either)," Chairman Laboa said.

In other matters, Chairman Laboa revisited the Rochester Woman's Club as a possible site for a Town Hall Annex. Greenwood "Woody" Hartley said he made a commitment to look into that proposal, but he wasn't inclined at this time to "volunteer" his services if that plan were to fall through. He wanted to know if Selectmen were still "committed" to the proposal, given that he heard of a potential vacancy in the Plumb Corner Mall facility across from Town Hall.

"I (was told) the Dance Studio has until July 31 to get out of (Plumb Corner Mall)," Chairman Laboa said. "Right now, no other (site) has been considered (for an annex) ... it was the Rochester Bakery or (the Woman's Club)."

In other matters:

- The board voted to send a letter of appreciation to the Rochester Country Fair Committee congratulating them on another successful event this past weekend. "It was a great time, it was a great event," Chairman Laboa said. "Even though they got rained out on Saturday, (Sunday) was a great time."

- Police Chief Paul Magee said he conducted another alcohol sales to minors "sting" operation recently and was pleased that compliance had greatly improved,

Animal Advice

Jay Gould, DVM

SUMMER HEAT

What can I do to make my dog more comfortable in the hot weather?

Leave your dog at home when you do errands. If you must take him in the car, leave the air conditioning on or the windows open, especially if you need to park. A closed car gets very hot, very fast. Always have plenty of fresh cool water available. Walk your dog early in the morning or later in the evening when it is cooler.

Are certain breeds more susceptible to heat induced problems?

Yes. Dogs with short noses like bulldogs, pugs, Boston Terrier and Lhaso Apso's. These dogs have trouble breathing under the best of circumstances. When it is hot and they pant to cool themselves, they may experience swelling in their throats, making breathing even more difficult.

How can I help my dog when it is hot and he is panting hard?

Help him cool himself. Put him in an air conditioned room, wet him down and blow a fan over him, or let him chew ice cubes.

eight-day Scottish Golf trip to Scotland; and a new set of golf clubs and golf bag.

The tournament will benefit the continuing fund-raising efforts toward the construction of an all-purpose outdoor sports arena at ORR High School. The arena will be used for roller hockey, arena soccer, field hockey, basketball, tennis, and other events. The arena was already purchased from the Gallo Rink in Bourne and paid for by the Chuck Michaud Memorial Fund. They have about one-third of the money needed to surface and assemble the facility and after this fund-raiser they hope to have two-thirds of the money needed. The last fund-raising drive will focus on the arena board (there are 40 sections) sponsors and plaque sponsors.

To sign up for the tournament or for more information, please contact **Jason Medeiros** at 508-789-3115 or **Rory McFee** at 508-758-9002.

weather from Hurricane Charley. Registration and breakfast begin at 6:30 am. A mandatory captain's meeting will follow at 7:00 am, led by race director Richard Wheeler. The race itself will begin at 8:00 am from the pier at Besse Park, near the Nantucket Lightship. All participants are required to have previous ocean kayaking experience and the public is invited to attend and cheer on the racers.

Participants are asked to register with a minimum of \$100 in pledges to benefit the Gleason Family YMCA. All racers will be given a complimentary race package, including a t-shirt featuring an original Bird Island design, lanyard and safety whistle, visor and other items. Each racer will also receive the coveted "Guilded Clam" medal at the awards ceremony following lunch around 1:00 pm.

The raffle for a brand new Eskia Necky Kayak as Grand Prize and array of fabulous prizes was also postponed until August 29. Raffle tickets are \$5 each and may be purchased at the Gleason Family YMCA office at 33 Charge Pond Road in Wareham (508-295-9622), the Wareham Free Public Library, or at Besse Park on the day of the race. A free pre-race concert will be held on Saturday, August 28 from 1:00 to 3:00 pm under the blue tent in Besse Park. The public is invited to bring a lawn chair and enjoy the sounds of Cape Verdean music by local musicians Tazinho and Tehanta Brito.

The Grand Opening of the Gleason Family YMCA is set for Monday, August 30. The public is invited to tour

Letters to the Editor

To the Editor:

What a lovely surprise to hear Jean West's students perform such harmonious instrumentals during last Wednesday's Town Band Concert (August 18). Although my husband and I arrived late, we heard music of several cultures — from Celtic to Klezmer, including a personal favorite, "Ashokan Farwell" by Jay Unger and Molly Mason, which was featured in Ken Burns' *Civil War Series*. I commend Ms. West for her marvelous work with both Mattapoisett's youth and her intergenerational chorus.

Sincerely,

Judy Wallace, Library Director
Mattapoisett

To the Editor:

Vandalism to Ned's Point Light is a federal offense because the lighthouse is the responsibility of the Department of Homeland Security in general and the U.S. Coast Guard in particular. Once during the winter and again quite recently, panes of glass have been destroyed in the lantern room by acts of vandalism.

Although short-handed because of widespread responsibilities, the Coast Guard has to take three members from the Woods Hole Aids to Navigation Team away from other responsibilities to repair or replace items destroyed at Ned's Point Light, an active aid to navigation.

Since 1993, the Coast Guard Auxiliary, the civilian arm of the Coast Guard, has been authorized to give tours to the public of this 166-year-old historic lighthouse with its cantilevered stone steps. The Auxiliary does so without any charge or

cost to the public, nor do the members get paid for their time. In other locations, private groups giving tours to decommissioned lighthouses charge up to \$10 per person or \$100 an hour for groups.

If the cost in money and personnel of repairing vandalism to Ned's Point Light becomes too great, the Coast Guard could decommission the light, board up the windows, stop all tours to the lighthouse, and erect a more modern structure with the same light signal. The losers would be the many people who enjoy touring the lighthouse and taking pictures on the deck or in the lantern room. Such a great loss would be felt by everyone.

Please report any acts of vandalism to the Mattapoisett Police (508-758-4141) or the U.S. Coast Guard Aids to Navigation Team (ANT) in Woods Hole (508-457-3329).

Sincerely,

Bert Theriault, Aids to Navigation Officer
U.S. Coast Guard Auxiliary Flotilla 67

To the Editor:

As we prepare for the 2004-2005 school year, the Marion School Committee would like to recognize and thank some people for their contributions during the past year and apprise our community of some new developments on the horizon for the coming year.

First, we welcome our new principal, Dona Mahoney, who comes to us from the Plymouth School District. She has impressive qualifications and was the unanimous selection of our search committee. We look forward to working with her for the benefit of our students.

Secondly, we are beginning an all-day Kindergarten option for the first time. While this option is available to all

incoming Kindergartners, parents can still opt to follow the more traditional half-day model. Due to budget constraints, the extra half day can only be offered on a tuition basis. While the School Committee has some philosophic concerns about charging tuition, research supports that all-day Kindergarten is good for most children.

Because of clear financial need on the part of some Marion families, the School Committee has established a Kindergarten Tuition Relief Fund to assist those who meet the state's free and reduced lunch guidelines. Thanks to the generosity of Reverend Robert Woodruff and the good folks at St. Gabriel's Church, the Marion Scholarship/Education Fund Committee, and an anonymous donor, we are able to offer some tuition relief to three incoming Kindergarten children who meet these stringent financial criteria.

To the Editor:

I recently purchased a new bicycle and have been enjoying getting back to a sport that allows me to roam the lovely countryside we call home. However, while the contractors are busy building luxury homes and townhouses to add to the long list of luxury homes already populating the landscape, there lurks a dirty little secret just a few steps away: the Park-N-Ride parking lot across from Uncle Jon's on North Street (in Mattapoisett).

It is a sty! The Park-N-Ride lot is filthy beyond the occasional discarded coffee container or plastic bag. There are large plastic pails loaded with every manner of trash as well as the wind whipped tornados of paper scraps, aluminum cans, sandwich wrappers, newspapers, and so on.

I understand that this property most likely belongs to the Commonwealth and therefore, is not the responsibility of any Mattapoisett municipal department. But the fact that the area is frequented by townspeople who leave their cars there and that it is in our town, would make one think we should

keep the area clean.

Pride in our community should not stop just because a piece of property is not technically our responsibility to oversee. How ludicrous to buy lovely pieces of fruit and vegetables, or bouquets of fragrant flowers from the vendor at the edge of the Park-N-Ride lot, then drive through the piles of rubbish to exit onto North Street. Or in my case, cruising along lovely North Street, and then making the mistake of riding through what can only be described as the Town Dump, Section 2.

I'd like to call upon the Board of Selectmen to either handle this matter internally by having one of our own departments clean it up and maintain the area or request that they work with the Commonwealth on a feasible manner in which we might collectively work together and put our best effort into keeping the place presentable.

Maybe the local scouting units need a project? Any effort would be better than leaving this lot as is — a disgrace to our beautiful community.

Sincerely,
Marilou Newell

My name is Fred Roach. I am 72 years of age. I was raised in the New Bedford/Mattapoisett area. At age 19 I left to join the Air Force. I am a disabled Korean War vet, a cold war vet, and a Vietnam veteran, spending 22 years on active duty in the service of my country.

A residential lot was purchased in the 1960s on Brandt Beach Avenue in Mattapoisett, with the intention of returning and building a home upon leaving the service. Even though I have grandfather rights and the lot is classified as a buildable lot

and is sewer-acceptable, the (Commonwealth) of Massachusetts and the Town of Mattapoisett have chosen to render this property valueless due to so-called wetlands restrictions. This is not wetlands, as a previous inspection two years ago by Wetlands Consulting, Inc. confirmed. Two recent sales opportunities have failed because of this inappropriate application. Is there anyone out there that can help?

Where are my 14th Amendment civil rights? Does this constitute a "taking" of property without just compensation? You haven't taken my property but you have rendered it worthless!

Is this how a "grateful nation" welcomes home their veterans? Where's the justice? *Shame on you Mattapoisett and Massachusetts!*

Anyone who has an interest in land preservation and the future of Mattapoisett is welcome at the gathering at 7:00 pm at the Mattapoisett Friends Meeting Hall, rear of 103 Marion Road (Route 6) in Mattapoisett. Refreshments will be served.

The Mattapoisett Land Trust is in the middle of a \$300,000 fund-raising campaign to purchase three parcels of Boardman land totaling 59.55 acres. Each parcel abuts previously donated conservation land the trust has held for several years.

During the informational meeting, large maps of the area will be available for viewing and questions will be answered.

The Boardman land includes a 14.8-acre lot fronting on Hollywoods and Aucoot Roads. Eight homes were planned for that site. A 20.5-acre parcel fronting on Aucoot Road was the planned site for a cellular phone tower. Both of these lots abut the Coyne Preserve, 17 acres of woodland between Hollywoods and Bowman Roads given to the Land Trust years ago.

The third Boardman parcel constitutes 24.8 acres and has frontage on Bowman Road. It abuts the 96-acre trust property donated by Ruth Hiller Martocci.

Valued at \$600,000 by an independent appraiser, the Boardman land has been offered to the trust at half that price, or \$5,000 an acre. An option to purchase must be exercised by the Land Trust by September 15.

Donations of cash and appreciated securities toward the purchase price, and pledges for gifts that might be forthcoming after the middle of next month, should be sent to the Mattapoisett Land Trust, P.O. Box 31, Mattapoisett, MA 02739, or may be brought to the informational meeting. All donations are tax deductible.

and totally endangers the structure of the church. The First Congregational Church of Marion has filed nomination papers with the Massachusetts Historical Commission to be placed in the National Registry of Historic Places, along with filings for the Congregational Chapel and Minister's Rock on Oakdale Avenue in Marion. These properties plus Bird Island Light will give Marion four properties in the National Registry of Historic Places.

The campaign committee held a Kick-Off Dinner at Tabor Academy in March, and many generous donations have been made thus far. However, the Capital Campaign goal that is needed to begin work on the bell tower and the church building next spring has not yet been reached.

Since the church has a relatively small congregation and it is at the center of the community, the campaign has enlisted donors from outside the congregation to help save the bell tower. The church is known for hosting weddings, funerals, and funeral receptions for all people in the area even if they are not members. The "Evening by the Sea" has been planned to thank those who have already donated and to encourage others to do so. Tickets can be purchased at the Bookstall in Marion or by the calling the church office at 508-748-1053 between 9:00 am and 12:00 noon, Monday through Friday.

Prescription Advantage

Prescription Advantage (PA), administered by the Commonwealth of Massachusetts, is a prescription drug insurance plan that is available to residents of Massachusetts who are 65 years of age or older. Members pay premiums, deductibles, and co-payments toward their prescriptions. However, PA places an annual out-of-pocket spending limit on the amount members must pay in deductibles and co-payments.

Individuals aged 65 can join at any time during the year. Those aged 66 or older can join only during an Open Enrollment period. The next such period is September 1 through September 30, 2004.

PA applications for Mattapoisett residents can be obtained at the Mattapoisett Council on Aging (COA) office (508-758-4110). Call for an appointment with the SHINE Counselor for help with the application and to answer questions. The Mattapoisett SHINE Counselor is at the COA Center on Monday mornings around 9:30 am.

Marion Band Concert

On Monday, August 30, the Marion Concert Band will conclude its 2004 season with a concert featuring the music of film composer John Williams and the Boston Pops Orchestra. The program, which includes several pieces frequently performed by the Pops, is as follows: National Anthem; "Thundercrest March" - E. Osterling;

Family Nonviolence Workshop

Family Nonviolence, Inc. and the Center for Family Peacemaking of Fairhaven are offering to the Greater New Bedford area a one-day workshop on nonviolent communication on Saturday, September 11, 2004 from 9:30 am to 5:30 pm at the First Congregational Church of Fairhaven. It will be an opportunity for participants to experience and practice the language of compassion as developed by Dr. Marshall Rosenberg, founder of the Center for Nonviolent Communication and author of the book, *Nonviolent Communication: A Language of Compassion*.

The Center for Nonviolent Communication promotes these workshops in an ever-increasing network of communities across the United States, Europe, the Middle East, Russia, Africa, and Latin America. The workshops enable participants to listen to their own deeper needs and those of others and to identify and clearly articulate the needs we share in common.

The cost of the workshop is \$35 and includes a light lunch. Registration is required by September 8 and can be done by calling Family Nonviolence, Inc. at 508-996-1100.

Fort Phoenix Encampment

Two-hundred and twenty-six years ago, during the Revolutionary War, the British attacked the villages on the Acushnet River with about 4,000 troops landed from 36 transport ships. During the raid houses, ships and business places in New Bedford, Acushnet and Fairhaven were ransacked and burned. The fort at Nolscot Point in Fairhaven, now called Fort Phoenix, was destroyed by British troops. It took years for the local waterfront industries to recover from the raid of September 5 and 6, 1778.

On Saturday and Sunday, September 11 and 12, 2004, members of the Fairhaven Village Militia and guests will remember the British attack during a weekend encampment at Fort Phoenix. Men, women and children dressed in period clothing will reenact life in 1778 and talk about the history of the fort. They will also be demonstrating campfire cooking, loading and firing muskets, knife and tomahawk throwing, children's games and more.

The highlight of the weekend will be the firing of the fort's five cannons, scheduled for dusk, about 7:30 pm, on Saturday. When fired after dark, the cannons' plumes of flames and smoke make a spectacular sight.

The Fairhaven Village Militia, which is sponsoring the event along with the Fairhaven Office of Tourism, is made up of about a dozen members who are on duty at Fort Phoenix during the summer to pass along its unique history. Member Charles Cromwell, who commands the group, and Wayne Oliveira were originally members of the Fourth Old Dartmouth Militia group that was started by the late Donald R. Bernard before the nation's Bicentennial. Other members have served as volunteer guides at the fort for the Office of Tourism. The group's treasurer, Ellsworth Sylvaria Jr., is a descendant of Bartholomew West, whose home was burned by the British in 1778. Members range in age from four years to seventy-something.

"We held this event for the first time last year and

it was a complete success," said Tourism Director Christopher Richard. "Hundreds of people visited over the course of two days. We taught spectators how to throw a tomahawk and showed them how cooking fires were lighted without matches. Basically, the group is depicting camp living during the Revolutionary War period. There will be regular demonstrations of musket firing, but there will be no large-scale battle re-enactments."

UMass Fireworks and Concert

The University of Massachusetts Dartmouth and the Town of Dartmouth will join on Labor Day, Monday, September 6 to present a fireworks display and jazz concert to welcome students back to the campus and celebrate the strong partnership that exists between the community and UMass.

The fireworks and concert, originally scheduled for July 2, were postponed due to rain, but will now kick off the university's "Breaking New Ground – A Tradition of Innovation" schedule of cultural events marking the 40th anniversary of the merger of New Bedford and Fall River technical colleges into a Dartmouth-based university.

The event will begin at 4:30 pm with a concert featuring "Sounds of Ashe," a UMass Dartmouth faculty-student jazz ensemble under the direction of Professor Santi Debriano, who is also an accomplished recording artist popular within the Latin scene in New York City and Europe. Headlining the jazz festival is a 6:15 pm performance by internationally acclaimed jazz musician and composer Karl Berger and his quartet. Dr. Berger, who was recently appointed chairman of the UMass Dartmouth Music Department, is a six-time winner of the *Downbeat Magazine Critics Poll* as a jazz soloist. The fireworks will begin at approximately 7:45 pm.

Bedford will host a tented Purchase Street Celebration before and after the concert as well.

"We are all filled with a sense of optimism and anticipation for our 90th anniversary season," said NBSO President Thomas W. Hallam, II. "In our last two seasons subscriptions have tripled and attendance has doubled, and we expect more of the same this year. The fact that the City of New Bedford, the Whaling Museum, and the University are sharing in the excitement of this moment proves how much this Orchestra means to the community."

Laurie Bullard, NBSO CEO, added, "How exciting and satisfying it is to see such collaboration and such unprecedented growth — the professionalism of the NBSO and the community's response. This will be only the third time in its 90 years that the Orchestra has collaborated on a world premiere. The cultural bar has been definitely been raised for the greater South Coast."

Founded in 1915 by music educator Clarence Arey, the New Bedford Symphony Orchestra was one of the first regional orchestras in America. Noted soloists who have performed with the NBSO over the years include Nicholas Slonimsky, Joseph Silverstein, Misha Dicter, Lily Mindus Dumont, Russell Sherman, Elmar Oliveira, Dave Brubeck, Jean-Efflam Bavouzet, and Martin Chalifour. The Orchestra performs now under the baton of its eleventh music director, Philip Rice, whose musicianship and enthusiasm have taken the Orchestra to

Fairhaven Tourism Events

The deadline for submitting listings for the Fairhaven Office of Tourism's annual calendar of fall and winter events will be September 3. Any organization holding public events within Fairhaven between mid-September and January 2004 is encouraged to place listings in the calendar. There is no charge to have events included.

Groups scheduling events for December's Very Victorian Holiday should submit preliminary listings at this time. The calendar brochure is distributed free at visitors centers, hotels and other public locations in the area. It is sent to people requesting information about Fairhaven and to regional media outlets. The Office of Tourism also submits lists of events to be included in regional guides and websites.

Listings must be submitted in writing and should include the following: name of event; location, including street address; date(s); time(s); name of sponsoring organization; admission prices; a description of the event; how to obtain tickets, if needed; handicap accessibility

of a family cruiser; the sailing enthusiast) at Old Rochester Regional High School, Marion Road (Route 6) in Mattapoisett on Tuesday, September 14, 2004. Registration is from 6:30 to 7:30 pm and the course begins at 7:30 pm.

All boaters must follow the same nautical rules and regulations, and courtesies of the sea, and all are subject to the same forces of nature while boating. As boating is often a family activity, the course is of value to all members of a boating family. The power squadron encourages families to attend as groups. Massachusetts requires that all boaters under the age of 16 pass an approved boating course to operate a motor boat of any horse power. This course provides instruction and examination for laws and regulations for Massachusetts and, if required, can include Rhode Island regulations.

The Boating Course familiarizes the student with the fundamentals of safe boating and is accredited by the National Association of State Boating Law Administrators to qualify for certification in those states that require boating education before operating a watercraft. Subjects include: boat handling under normal conditions; adverse conditions and emergencies; types of boats and boating terminology; required and recommended equipment; boating regulations and navigation rules; lines and knots; aids to navigation; marine radiotelephone and VHF radio usage; and trailer boating.

The course cost of \$40 per student covers the text, materials and all overhead costs. There is no cost for instruction. The Squadron Boating Course student manual is the basic text for the course. It will also serve as a valuable reference book on basic boating long after the course is completed.

For more information, please contact Dave True (508-763-5241) or Steve Crook (508-994-0119).

**OLD ROCHESTER REGIONAL SCHOOL DISTRICT
MASSACHUSETTS SCHOOL SUPERINTENDENCY UNION 55
MARION – MATTAPOISETT – ROCHESTER
NOTICE TO PARENTS**

As you are probably well aware, our school districts were required by law to conduct a public bid solicitation in order to procure a provider for the school bus transportation needs of our students. Due to this process, the Towns of Mattapoisett and Rochester will find a new company - Braga Transportation – providing this important service. Marion students will still be serviced by Laidlaw Transit, Inc. Since it was not until late July that all contracts were awarded to these companies the usual amount of time available to us to revise our school bus routes did not materialize. While we have done our best to update our routes given the changes to our student population since the last school year, we undoubtedly will have some errors and omissions in the bus routes advertised today. If your child's stop is missing or if you identify a stop which is no longer needed due to graduation, a family moving, etcÖ please contact the Finance Office at (508)758-2772, extension 1944. Also, please access the Old Rochester Regional website at <http://www.orr.mec.edu> and follow the link to "bus routes" as we will be updating/correcting our routes on a continuous basis. Your patience and understanding is greatly appreciated.

AFTER-SCHOOL BUSES

Twice per week the Junior and Senior High Schools shall provide **3:30p.m.** after-school bus runs. These runs may vary during the week but will typically be on Tuesdays and Thursdays. Please note that after-school bus routes are based upon express service to specific stops in the respective towns. A student riding the after-school bus must select a stop that is no greater than 2 miles from his/her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops. There will be **NO** late afternoon (5:00p.m.) bus runs due to budgetary constraints.

VIDEO CAMERAS

The School Committee, after carefully considering the privacy rights of students and drivers and the district's duty to ensure discipline and protect the health, welfare and safety of staff and students on school transportation vehicles, has authorized the use of video cameras on its transportation vehicles when deemed necessary by school administration.

***Please note that all routes (times and stop locations) are subject to change based upon changing enrollments and bus capacities.

MOVIE REVIEW

Shark Treatment

By Rob Gonsalves
<http://robsreviews.cjb.net>

Open Water. Starring Blanchard Ryan and Daniel Travis. Directed by Chris Kentis. Running time: 79 minutes. MPAA rating: R.

About the only thing holding *Open Water* back from being an indisputable masterpiece is the fact that it's a 79-minute movie. It almost needs to be an *experience* — a thrill ride at a theme park, say, in which we are marooned in darkness and among hungry animals for 24 hours. If any movie could've benefited from being a real-time Andy Warhol experiment that runs for eight hours, *Open Water* might just be it. As it is — an abbreviated yet often harrowing fable of the utter insignificance of man and his digital trappings — the film is some kind of boiled-down classic, a survival piece that goes *Cast Away* one better, lacking even the comforting stability of *land*.

You've probably heard the synopsis: A yuppie couple, Susan (Blanchard Ryan) and Daniel (Daniel Travis), go scuba-diving on vacation and are left behind by the boat. *Left behind* — those words, even more than the curious sharks and the nonchalantly stinging jellyfish, turn our blood to ice. It's been said that even those who live thousands of miles away from the ocean were terrified by *Jaws*, because (so the theory goes) we evolved into land-walkers in order to get away from those aquatic things with teeth, and we still carry a primal fear of sea predators in our cells. Add to this the childhood fear of *being abandoned* — forgotten, disregarded, as if we never existed. *Open Water* is no novelty film like *The Blair Witch Project*; the film's director, Chris Kentis, resents the perhaps inevitable comparisons, and rightly so. *Open Water* does, and does brilliantly and economically, everything *Blair Witch* fumbled.

Like many horror films, this is not a nice one. Blame for the affluent white couple's lamentable situation, if you felt like nitpicking the film's stereotypes, could be distributed evenly among a squeamish Asian woman who can't handle the dive, the pushy Jew who borrows her mask so he can dive, and the careless black guide who gets the head count wrong. Ultimately, though, the blame falls on Susan and Daniel for presuming to be masters of their domain, even when hopelessly out of their element. Marooned at sea, the couple respond with eminent realism: disbelief followed by dismay followed by despair. This is not an environment that these two, formerly ensconced in a universe of laptops and cell phones, can hope to master, much less

survive. *Open Water* will send control freaks into paroxysms of anxiety: The miles of ocean beneath you and around you *don't care who you are*. You are a molecule, you are driftwood, you are amusement for sharks.

The acting at the very beginning is somewhat blank, I assume by design. Susan and Daniel are your typical eternally distracted drones, digitally attached to their jobs. Susan in particular is plagued by calls from the office, even when readying for departure; how much she would give to have an annoying cell phone a day or so later. The yuppies yearn for a temporary escape from civilization, and get it with a vengeance. Daniel at one point lets out the essential yuppie howl at the injustice of his fate: not "Why us?", not "God, help us!", but "We *paid* to do this!" In context the line is horrifyingly funny, trumping by far the various outbursts of frustration in *Blair Witch*.

As the movie proceeds, the characters are stripped down to their basics, and Ryan and Travis do a heroic job of submitting to the unforgiving elements. These whitebread breadwinners are reduced to their skins and nerve endings, buffeted about by weather, casually bumped by sharks who seem to regard our protagonists as too inconsequential to bother eating — just yet. Far from being a minimalist rewrite of *Jaws*, *Open Water* taps into the current fear of being imper-sonally destroyed by unseen forces that don't care if we live or die. It also touches our experiences in other, less direct ways: Susan and Daniel could just as well be sitting in a hospital's waiting room, dreading bad news. Sooner or later we all face the cold knowledge that the universe doesn't really take notice of us, that the bodies we worry about so much are subject to invasion by cancer, heart disease, or any number of other things that don't care how well our jobs are going or what our dreams are. *Open Water* does what all classic horror does: it makes us stare death in the face and recognize the face as our own.

SALOME'S STARS

ARIES (March 21 to April 19) Despite your Aries penchant for wanting to tackle a problem head-on, you might want to take a little more time to see how a current situation develops. It could surprise you.

TAURUS (April 20 to May 20) Taking on the role of peacemaker in a disruptive environment is a challenge. But you can do it. Just continue to have the same faith in yourself that so many others have in you.

GEMINI (May 21 to June 20) Although your work schedule keeps you busy, you should make time to start preparing for that important upcoming family event you'll want to celebrate in a special way.

CANCER (June 21 to July 22) Home is where the Moon Child wants to be early in the week. But by week's end, a chance to travel raises her or his excitement level, and that of the lucky person who gets to go along.

LEO (July 23 to August 22) Be careful not to be a copycat when dealing with someone who uses unfair or even unkind methods to reach a goal. As always, do the right thing the right way, and you'll win in the end.

VIRGO (August 23 to September 22) An offer could have many good things attached to it that are not apparent at first glance, including a chance to move into another career area. You might want to check out its possibilities.

LIBRA (September 23 to October 22) With responsibilities surging both in the workplace and in the home, it's important to prioritize how you deal with them. Be patient. Pressures will begin to ease starting early next week.

SCORPIO (October 23 to November 21) A positive reaction to a suggestion could indicate that you're on track for getting your message to the right people. Devote the weekend to catching up with the special people in your life.

SAGITTARIUS (November 22 to December 21) A new attitude from those in charge could make things difficult for you unless you can accept the changes without feeling as if you're being pressured into doing so.

CAPRICORN (December 22 to January 19) Family matters once again dominate much of the week. But don't neglect your workplace duties while you deal with them. An offer to help could come from a surprising source.

AQUARIUS (January 20 to February 18) A difficult workplace situation begins to ease, but there are still matters that need to be dealt with before it's fully resolved. There's also a more positive turn in domestic relationships.

PISCES (February 19 to March 20) Don't let yourself be rushed into making a decision about an intriguing financial arrangement. Asking questions and checking it out now could pay off in a big way later on.

BORN THIS WEEK: You might have a tendency to be more than a bit judgmental, but others understand it comes from a warm, loving heart.

Old Colony Regional Voke

Classes Begin

Old Colony Regional Vocational Technical High School in Rochester has announced that classes will begin for all students on Wednesday, September 1, 2004. This will be a full day of school. Inquiries concerning the opening of school should be directed to the Guidance Office at 508-763-8011, extension 126.

Hazard Management

Since June 1998, Old Colony Regional Vocational Technical High School has been in full compliance with the US Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA). The inspection findings and asbestos management plans have been on file in the Superintendent-Director's office since that time. The public is welcome to view the AHERA Management Plan by contacting David J. Ferreira at 508-763-8011, extension 116 or by e-mail (dferreira@oldcolony.tec.ma.us).

Mattapoisett and *Ports of Old Rochester* — are now available at the Museum Carriage House, 5 Church Street in Mattapoisett.

Picture Postcard Memories of Mattapoisett may be just the book you are looking for to add to your summer residence collection to take back home with you in September. This compilation includes some 240 vintage postcard scenes of Mattapoisett from the late 1890s to the 1950s. Each postcard view includes a descriptive paragraph. The book is available in two editions — a softcover edition at \$28 and a hardcover edition at \$50.

Ports of Old Rochester is a history of shipbuilding at Mattapoisett and Marion. This book was begun by Edward F.R. Wood Jr., a summer resident of Mattapoisett (also author of *Mattapoisett: A Summer Portrait*). Unfortunately, Mr. Wood passed away before the book was completed. Judy Lund, former Curator of the New Bedford Whaling Museum, finished the book which has been published by the Whaling Museum.

Marion Fire Department

The Marion Fire Department will be celebrating its 100th anniversary in March of 2005. They invite the public to join them in their efforts in planning events and fundraisers for the festivities.

There are many subcommittees (all needing help) in planning for next year's anniversary. Charlie Bradley and Billy McDougall are heading up the historic commit-

tee; anyone interested in helping them can either contact them directly or leave a message at the Fire Station for them.

There is also a group dedicated to fundraising to support the many events we would like to do. Anyone experienced with non-profits, has any good fundraising ideas or just has a strong back, please call the station to sign up.

They would also like to make a book highlighting 100 years of progress for the Marion Fire Department — if you have computer skills, have ever made a book before or just want to have fun call the station and they'll sign you up.

If you have comments, suggestions or are interested in the effort, please give what you can; they appreciate any help they can get. The telephone number that has a recorder on it (after 4:00 pm) is 508-748-3596. They look forward to hearing from you.
